

## We're taking care of business, so you can return to business

At Vaillant, we want to help all installers get their businesses back to the new normal way of working. Our latest offer is designed to do just that. Get an ecoFIT pure combi boiler, a standard horizontal flue, plus our brand new Advance Boiler Protection Kit from only £889.

Installers can also get a 10-year guarantee when registering the boiler and our Advance Boiler Protection Kit on Advance.

**Pack codes available on the second page of this document.**

Please note that no contract support can be claimed on these pack offers
